

Sets, Kits, and Outfits, Components List for Light Set, Marker, Emergency

SC: 6230-95-N02
NSN: 6230-00-542-6680
LIN: L64131

System Description

Field Lighting Set: Landing Zone supports small units in the temporary marking of Close Battle Area landing zones and temporary/forward airstrips during full light, night light and blackout conditions (using IR). This set provides a lightweight, easily deployed, man packed, multi-functional assemblage of COTS flashlights and accessories for identifying temporary Landing Zones and airfields. Components include battery powered flashlights (8 amber, 8 infrared, 2 white), with wand ends, ground pins and transport case.

This system is not currently in reset.
